## Message 'fae' the Manse

Hello friends

It's not often we see, or hear, the headline, 'Glasgow hotter than Ibiza.' But it has been just that on a couple of days in the past month, and I put the emphasis on 'a couple of days'. I find these types of headlines amusing. It doesn't happen very often, so why shouldn't we blow our own meteorological trumpet? But blowing our own trumpet isn't something that comes naturally to many of us in Scotland. Perhaps it's because we don't want to come across as being arrogant or haughty, but I don't think there is anything wrong with us sharing good news and good experiences with one another.

It's like when we move from spring to summer and the warmer weather and brighter days and evenings come in, generally people's spirits are lifted and we are, on the whole, in a better mood. It's the same when we hear good news from other folks - it gives us a lift. I said last month that I really like Spring. In fact, I would say that it is my favourite season, as it is associated with new beginnings, new growth and new life. We recently remembered and celebrated the new life available to us through the resurrection of Jesus at Easter and in only a few weeks we will be celebrating Pentecost, an occasion that many mark as the beginning of the church as we know it today.

Spring is also a very important time in the life of the church, as this year's General Assembly begins on Saturday the 18th of May, where, once again, a lot of important business will be discussed and decisions that will have a direct impact on us will be made. It is a challenging time for the church nationally and whilst difficult decisions will be made, sometimes we focus so much on the negative, we forget all the positive things that are going on.

This is something we should try to avoid. It's important for us to hear good news stories, and in particular we maybe need to remind ourselves of the best good news story of them all. That Jesus is your risen Lord, that God loves you, and he has a plan for your life.

*Your friend in Christ*  
*Stuart*

## Summer Church

This July we are doing something a bit different in church on a Sunday morning. We are moving to a more informal, discussion based type service. All the usual elements of the service will be there, praise and worship, prayers, scripture reading and a reflection, they are just going to be done in a different way. So, I look forward to worshipping with you over the summer, as we continue on our faith journey with God here at King's Park.

**SUMMER GROUP**

We are planning to run a group over the Summer, each Thursday in July and August, from 1.30 - 3.30 pm in St Mungo Hall.

Everyone is welcome, whether part of a group that meets in our halls or not.

There will be the opportunity to chat over a cup of tea and a biscuit, and the chance to participate in a number of different activities, perhaps for the first time. For example, the chance to make something, draw something, play carpet bowls, perhaps a quiz or a beetle drive - no previous experience needed as all are led by someone who knows what they are doing (so I'm told!).

There may even be the chance to revisit your childhood!

So, please spread the word around. The feedback from those who came to last year's - our first Summer group - was very positive.

More details will be available once the programme is finalised - come when you are available, drop in or stay for the 2 hours, the choice is yours.

We will be able to assist with transport if you let us know.

Come along, have fun, make new friends.

*John Black*

### **KING'S PARK BRASS**

The band is looking forward to its annual summer concert in King's Park Church, which will take place on Tuesday 10th June at 7.30pm. We'll feature music, mainly from the worlds of film, TV and popular music, playing Mary Poppins, Tom and Jerry, California Dreamin' and much more! The concert will also feature our Youth Band, and our Beginners Group will make its first public appearance.

A couple of days before the summer concert, the Senior Band has been invited to perform at Grow 73's Buzz Fest event in Overtoun Park on Sunday 8th June – why not come along and hear us – the event's on from 12-4.30pm

Looking to the second half of the year, we'll be returning to Rutherglen Town Hall on Friday 21st November for what is always a most entertaining and enjoyable winter concert.

### **CHRISTIAN AID WEEK 2025 - UPDATE**

The King's Park church family and friends have been busy again this year, raising money for Christian Aid.

You will recall that this year, the Kirk Session agreed that we would not deliver CA envelopes to the homes in our parish, but to concentrate on our own church family and friends.

We were fortunate to have a number of Christian Aid focussed events taking place during Christian Aid Week. Millie & Aileen's Tuesday Coffee morning raised a very generous £168 and our Soup & Sandwich Sunday lunch at the start of the week and the Christian Aid Quiz on the Friday night were both well supported and added the sum of £432 to the CAW coffers. The 'paper quiz' was also a great success and, at time of printing, we still await to hear the name of the winner!

Special thanks go to Millie & Aileen, the soup & sandwich team, and Stuart & family for putting the quizzes together, and of course, to those who shared in worship at the Sunday launch service and for introducing Aurelia from Guatemala to us all.

Full details of the total amount gathered for this year's Christian Aid Week will be confirmed in the August/September edition of the magazine.

### **KIRK SESSION UPDATE**

Thank you to everyone who attended the recent Local Church Review (LCR) visit.

The LCR is exactly that - a review of our church, and you are all our church, so without you this wouldn't be possible! The LCR team were impressed with the conversation and engagement on the night and we're awaiting the next stage - development of our Action Plan. We welcomed Hugh Mackinnon into the Kirk Session and are grateful to him for taking on the role of Property Convenor. Thank you too to everyone who attended our successful Annual Stated Meeting, again another reflection of you, our church. We continue to be challenged by our financial situation and are diligently and prayerfully looking at ways to address this. As you know, our caretaker, Albert Sodunke has moved on to other employment and we are currently advertising for a new Caretaker - see advert at the back of this magazine. Please do keep this important task in your prayers.

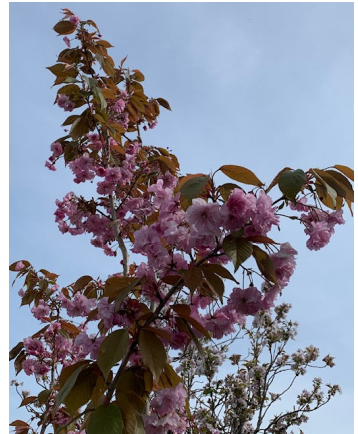

*Yours ... Lynda*

## Reminder of King's Park...

You may remember, in marking our thanks to Ian Galloway, that one of the gifts the congregation presented him with was a blossom tree. Blossom trees are such a reminder of our beloved King's Park garden and Ian always admired them.

Well, here we are - one year later and our gift to Ian is in its first full bloom.

We hope it is giving him joy and reminding him of the very happy times he spent, and of memories of dear friends, here at King's Park.
